## Screenshots

The screenshot shows the Odoo Settings interface for 'Working Times / Standard 40 Hours/Week'. A modal dialog box titled 'Odo Server Error - Validation Error' is displayed, with the message 'You can't overlap Working Hours timings...!' and an 'Ok' button. The background shows the 'Standard 40 Hours/Week' configuration page with a table of working hours. The 'Work from' and 'Work to' columns for 'Monday Morning' (08:00-14:00) and 'Monday Evening' (13:00-17:00) are highlighted with a red box, indicating the overlapping period.

Name	Day of Week	Work from	Work to	Starting Date	End Date	Day Period
