

# Special Price Countdown

## Product specification

Special Price countdown extension is a Magento 2 extension developed by PIT solutions which enables admin users to inform customers about the special price end date via a countdown timer on product view page.

## Features

- Enables admin users to show a countdown timer until special price offer ends.
- Option to Show/hide countdown timer for individual products on offer.
- Provide option to configure timer for Simple, Downloadable, Virtual, Configurable, Bundled and grouped products
- Enable/ Disable the extension
- Supports access control for admin users.

## Screenshots

1. Enable - Select Yes to Enable the module

The screenshot shows the Magento 2 Configuration page for the 'Special Price Countdown' extension. The left sidebar contains a navigation menu with categories like DASHBOARD, SALES, CATALOG, CUSTOMERS, MARKETING, CONTENT, REPORTS, STORES, SYSTEM, and PARTNERS & EXTENSIONS. The main content area is titled 'Configuration' and shows the 'GENERAL' tab selected. Under the 'PITS CONFIGURATION' section, 'Special Price Countdown' is highlighted with a red box. To the right, the 'Enable' field is set to 'Yes', and the 'Countdown Title' field contains the text 'Hurry Up. Offer ends in'. A 'Save Config' button is visible in the top right corner.

2. Countdown Title – Enter title to be displayed in product view page

3. Click Save Config and clear the cache.

## Product Configuration

### 1. Configure Advanced pricing

- Open the product in edit mode.
- Under Price, click Advanced Pricing.
- Enter the special price to offer a discounted price during a specified time period

## 2. Activate Countdown timer

- In order to display special price timer on product view page set Display Special Price Countdown Timer field to Yes

Note: For Configurable and grouped product you need to activate countdown timer for both parent and child products and timer will be based on child product price.

Special price timer will be displayed to bundle product based on special price end date provided in parent product.

The screenshot shows the product configuration interface for 'Sprite Yoga Strap 6 foot'. At the top right, there are buttons for 'Back', 'Add Attribute', and 'Save'. Below the product name, there are several toggle switches for product attributes: 'Color' (set to Black), 'Eco Collection', 'Performance Fabric', 'Erin Recommends', 'New', and 'Sale', all of which are currently turned off. The 'Display Special Price Countdown Timer' toggle is highlighted with a red rectangular box and is turned on (Yes). Below the attribute toggles, there are sections for 'Content', 'Configurations', 'Product Reviews', 'Images And Videos', 'Search Engine Optimization', and 'Related Products, Up-Sells, and Cross-Sells', each with a collapse icon. A 'Create Configurations' button is visible in the 'Configurations' section.

The timer will be displayed in the frontend as below:
