

# Maintenance Message Banner

## Product specification

Maintenance Message Banner is a Magento 2 extension developed by PIT solutions which enables admin users to inform customers about the maintenance timing or down time earlier via a banner on top of every page.

## Features

- Enables admin users to show customized maintenance notification message in the frontend.
- Message can be shown all the time until it is disabled or can be scheduled to display/hide automatically within a time interval.
- Supports access control for admin users.

## Screenshots / Video

The screenshot shows the Magento 2 Configuration page for the Maintenance Manager extension. The page is titled "Configuration" and includes a search icon, a notification bell with a red "1", and a user profile icon labeled "admin". Below the title, there is a "Store View" dropdown set to "Default Config" and a "Save Config" button. The left sidebar contains a navigation menu with icons for Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, Stores, System, and Find Partners & Extensions. The main content area is divided into sections: "GENERAL" (General Settings), "PITS CONFIGURATION" (Maintenance Manager), "CATALOG", "SECURITY", "CUSTOMERS", "SALES", "ENGAGEMENT CLOUD", "SERVICES", and "ADVANCED". The "Maintenance Manager" section is expanded, showing the following settings:

- Enable** (store view): Yes (dropdown menu)
- Message** (store view): Maintenance: The shop will be down for maintenance on Wednesday May 27 from 16:00 to 18:00 UTC. Sorry for the inconvenience. (text area)

Below the message text area is a label "Enter Maintenance message". At the bottom of the page, the footer contains the copyright notice "Copyright © 2020 Magento Commerce Inc. All rights reserved." and the version information "Magento ver. 2.3.2" with a "Report an Issue" link.
