

# Special Price Countdown

## Product specification

Special Price countdown extension is a Magento 2 extension developed by PIT solutions which enables admin users to inform customers about the special price end date via a countdown timer on product view page.

## Features

- Enables admin users to show a countdown timer until special price offer ends.
- Option to Show/hide countdown timer for individual products on offer.
- Provide option to configure timer for Simple, Downloadable, Virtual, Configurable, Bundled and grouped products
- Enable/ Disable the extension
- Supports access control for admin users.
